NEWSLETTER

MONTHLY OVERVIEW

Welcome to the first JollyGood Company newsletter, a way for me to share everything I've been up to and showcase the wonderful people I've had the great joy of singing with this month. At the start of June we celebrated World Ocean Day with seaside themed singalongs, sea shanties and summer hits from years gone by - any excuse for a costume! So, as you sail across the sea*, keep smiling and keep singing!

- All the best, Sabrina

WHAT I'VE BEEN UP TO

Ahoy from Captain Sab, sailing 'round RCT in her ship (in a Nissan Pixo). A successful singalong in Llanharan Drop-in Centre, we even tried 'Under Da Sea' in sign language! Fun all round, despite the lack of rum.

WHERE'S AND WHO'S

A Jolly old time in Cafe50, Pontyclun. I also performed in Llantrisant Care Home for some dear friends as well as offered some taster sessions as I travelled to a mysterious Island known as 'Barry'.

LOOKING AHEAD

Next month I am debuting a new theme I am calling 'Songs About Singing' with a setlist including ABBA, The Carpenters, Barry Manilow, Neil Diamond, Gene Kelly and songs from 'The Sound of Music'. What better way to celebrate the power of music than, well, music?
