Sending love from the JGC

Dear reader,

I am writing this from the comfort of my parent's sofa in my old stomping ground of Ringwood while visiting for the second JGC tour. So far I've been to Oakdene Care Home and St Ives Country House for a rainbow medley of love songs. The bells were ringing, the birds (puppets!) were singing and we even tied a yellow ribbon round the old oak tree - still an absolute favourite of mine. Loads of colour and laughter to brighten up a grey, rainy day. I am looking forward to re-visiting Foxes Moon Care and Bickerley Green in the next few days, as well as catching up with some old friends.

Sending all the best for a cwtch-y, cuddly February for you and yours, and a happy Valentine's with your loved ones, whether that be friends, family, partner or pets/ As always, you know where I am if you ever want to surprise someone to a doorstep serenade

Keep on smilin' ,
Sabrina C
