Yarnley House
Bickerley Green
Oakdene Care
Foxes Moon
St Ives Country House

I'm so delighted to announce my recent roadshow was a great success. We sang all the best hits of the 50s from Paul Anka to Presley, and had a lot of fun on the way with the help of some oversized animal puppets which somehow fell into my suitcase.

I will be back touring Hampshire in a month, so who knows what other fun suprises will be in store....

Until then, bookings are open in South Wales:
